### JESUS IS LORD

2:37 – Hebrews 1:1ff – God spoke to us in the past through the prophets but in these last days through his son. Divine revelation of himself. Bible is NOT the story of man's quest for God (in fact in much of the scripture man is running away from God), but God revealing to us himself. Were it not for him we could know nothing about him. He is not the product of human intellection. God is the great presupposition in scripture not the end product of some philosophical argument. Both Genesis 1 and John 1 begin with the idea of "In the beginning God."

13:00 – Comparative religions – Main difference in Christianity is that it centers on a person vs centering on teachings.

17:00 – The primary issue is what Jesus said about himself. The 7 "I Am" statements and his claims to be God.

21:00 – What do you do with his statements about himself – (i.e.) John 10:30 – "I and the Father are one". What you do with Jesus will define your relationship to God. Jesus is either 1. A Liar. 2. A Lunatic or 3. Who he claimed to be – LORD. (The 3 L's argument).
